DEPARTMENT PASS INFORMATION PULADS CINCLANT, CINCARIB.

Reference: Department circular telegram 790 and 845.

GOJ today notified Embassy it willing grant US airport and harbor facilities in Jamaica.

Following is essential passage of secret letter signed by Prime Minister:

"My government has no objection in principle to use airports and harbors by aircraft and ships of US provided these facilities not used as base for carrying on offensive operations against any country".

Comment: Agreement seems broad enough to cover availability to US forces of facilities for operations other than quarantine as requested Department circular telegram 845.

Pouching texts of notes.
